FRONTLINE SERVICE
HISTORY

Delivered in December of 2018 as a collectors piece, AB25 boasts must have options such as a body-coloured bespoke dashboard, a central arm rest, extended leather and powder coated wire-wheels. While choosing favourite commissions is much like selecting your favourite child, we must confess that the metallic Tonga green paintwork, black Connelly leather and wooden interior accents make this 1970 MGB, one of the most "stop and stare" vehicles to ever leave the Frontline HQ.

- Part of the Frontline *Cherished* programme with 6-months warranty
- Car 25 of just 25 Frontline Abingdon Edition restorations
- Very low mileage
- Walnut interior trims
- 289hp, 2,500cc engine
- LSD, Power Steering, Remote central locking, heated seats, electric windows
- Packaway hood and tonneau cover
